

Alex Rivera

Email: alex.rivera@example.com | GitHub: <https://github.com/alexrivera>

EDUCATION

B.S. Computer Science, 2025

SKILLS

Python, Machine Learning, Deep Learning, SQL, Docker, FastAPI, Git, Data Structures, Algorithms

EXPERIENCE

Machine Learning Intern

- Built neural network models using Python and PyTorch.
- Trained classifiers and evaluated validation accuracy.
- Managed SQL database schemas and automated data processing.
- Wrote unit tests and containerized inference services with Docker.
